

AI SMART COOLER · DUAL DOOR

MODEL C10 HIGH-CAPACITY

ATLAS

When one door is not enough. Atlas delivers the highest capacity in the Vendera lineup. With two independent doors, 10 gravity-fed, adjustable shelves, Atlas is built for high-demand environments where a single-door machine just isn't enough.

99.5% AI ACCURACY

DUAL DOOR ACCESS

CELLULAR CONNECTIVITY

TAP AND CHIP PAYMENT

ANTI-FOG · LOW-E COATED GLASS

49.2" WIDE

DOUBLE DOORS

With one scanner and two doors, Atlas provides quicker access to more options. With one tap, customers can immediately purchase from both sides.

BUILT FOR MORE VOLUME

Higher capacity allows operators to place a larger quantity and variety of products, giving customers more of what they want. The better the selection, the higher the revenue.

SMART DATA

Get insights on customer behavior and sales patterns with detailed reports, helping you maximize stocking, timing, and product choice.

260 GAL VOLUME

10 SHELVES

368.17 lbs NET WEIGHT

55 LBS WEIGHT CAPACITY PER SHELF

THE EXPERIENCE

TAP. GRAB. GO. THAT'S IT.

No buttons. No coins. No waiting. Tap your card, open a door, take what you want, walk away. With two doors and 10 shelves of product, Atlas never makes a customer wait and when buying is this easy, people buy more. Every time.

<p>STEP 01</p> <h3>TAP</h3> <p>Tap your card, phone, or watch on the reader. Payment is pre-authorized instantly, no PIN required.</p>	<p>STEP 02</p> <h3>OPEN</h3> <p>Either door unlocks independently. Two customers can browse simultaneously, no waiting, no bottleneck.</p>	<p>STEP 03</p> <h3>GRAB</h3> <p>Take what you want. AI cameras track every item the moment both doors close across all 10 shelves simultaneously.</p>	<p>STEP 04</p> <h3>GO</h3> <p>Walk away. You're only charged for what you took. Receipt goes to your phone. The whole thing takes seconds.</p>

WHY OPERATORS CHOOSE ATLAS

<p>Gravity Roller Shelves with dividers and Pushers</p> <p>Products roll forward and stay visible at all times. A full looking shelf sells more. Dividers, shelves and pushers keep products in clean lines, fully customizable to product size.</p>	<p>80% Fewer Moving Parts</p> <p>No coils, no motors, no spirals. Without the parts that jam and fail, service calls go way down and uptime stays high – even at the scale of 260 gallons.</p>
<p>Aluminum Alloy Anti-Fog Construction</p> <p>Argon-filled double glazing with Low-E coating keeps products visible and condensation-free. Built for demanding, high-traffic environments that need to look sharp all day.</p>	<p>Replaces Multiple Machines With One</p> <p>One Atlas delivers the capacity of two Core units in a single, streamlined system. With expanded storage and fewer restocking trips, operators reduce overhead while customers enjoy consistently stocked shelves and a seamless grab-and-go experience.</p>

2-3x

Revenue vs. traditional vending proven at scale. Atlas transforms grab-and-go retail by eliminating purchase friction – and across 10 shelves and two doors, the revenue impact scales dramatically.

INTELLIGENCE BUILT IN

INDUSTRY-LEADING AI

Every transaction across each Vendera machine feeds one continuously learning AI. Atlas doesn't just work at its location, it also gets smarter.

Our proprietary AI software is like no other, analyzing and managing every transaction with ease, minimizing the need for human intervention

<p>CAPABILITY 01</p> <h3>Knows What to Stock</h3> <p>Analytics in the VMS app track top-selling products in real time, helping operators optimize inventory decisions and stock what customers actually buy.</p>	<p>CAPABILITY 02</p> <h3>Knows What to Restock</h3> <p>Alerts are based on real-time sales, not a fixed schedule. You go when it actually needs you not before, not after stock runs out.</p>
<p>CAPABILITY 03</p> <h3>Records Everything</h3> <p>Every transaction across both doors is logged on video in real time. Full inventory visibility and complete sales history from any device, anywhere.</p>	<p>CAPABILITY 04</p> <h3>Pricing in Seconds</h3> <p>Update prices across your entire fleet from your phone. One dashboard for sales, inventory, alerts, and AI-driven stocking suggestions the Vendera VMS app.</p>

WHO WE ARE

POWERING THE FUTURE OF UNATTENDED RETAIL

Vendera builds AI-powered smart coolers that run themselves, minimizing staffing and operating costs, and maximizing revenue. Our machines learn, adapt, and improve over time.

Our fully-integrated VMS system allows you to add a mix of our high-performing coolers. Whether you're deploying, Core, Apex, Atlas, or Arctic, manage your entire fleet in one place, using the same platform and dashboard.

<p>AI-FIRST</p> <p>99.5% accuracy. AI identifies every item, every transaction – regardless of lighting, motion, or product type. It just works.</p>	<p>ZERO FRICTION</p> <p>Tap. Grab. Go. The simplest buying experience in unattended retail – proven to drive 2–3x more spend per visit than a traditional machine.</p>	<p>RESEARCH BACKED</p> <p>Proven intelligence. Vendera technology is validated by experts from elite universities. Our innovation is built on science, not hype.</p>
