

AI SMART COOLER

MODEL LC-510 STANDARD INDOOR

CORE

Where it all started. Core has established itself as a trusted choice for operators. It's easy to set up and just works. No buttons, no coils, no jams. Core runs itself so you can focus on growth.

CELLULAR CONNECTIVITY

NO STAFF NEEDED

TAP & CHIP PAYMENT

GLASS DOOR · DOUBLE INSULATED

110V PLUG & USE

PLUG IN & GO

Runs on a standard 110V outlet. No installation crew needed. If there's foot traffic and a power outlet, Core belongs there.

RUNS ITSELF

The AI handles transactions, letting you know when to restock, the Vending Management System (VMS) lets you adjust pricing remotely, and a snapshot camera gives you regular check-ins. Gravity rollers keep shelves looking full and organized.

SMART DATA

Get insights on customer behavior and sales patterns with detailed reports, helping you maximize stocking, timing, and product choice.

HOW IT WORKS

THE EXPERIENCE

TAP. GRAB. GO. THAT'S IT.

No buttons. No coins. No waiting for a coil to spin. The easy-to-use customer interface makes buying simple. When convenience leads, sales follow.

<p>STEP 01</p> <p>TAP</p> <p>Tap your card, phone, or smart watch on the reader. Payment is pre-authorized instantly, no PIN required.</p>	<p>STEP 02</p> <p>OPEN</p> <p>The door unlocks. Customers open it like its their own fridge. No screen to navigate. No coil to wait on.</p>	<p>STEP 03</p> <p>GRAB</p> <p>The customer takes what they want. AI cameras track every item, even in low light or with fast movement.</p>	<p>STEP 04</p> <p>GO</p> <p>The customer is only charged for what they take.</p>

WHY OPERATORS CHOOSE CORE

<p>Gravity Roller Shelves, Dividers & Pushers</p> <p>Products roll forward and stay visible at all times. A full looking shelf sells more. Dividers, pushers and shelves keep products in clean lines, fully customizable to product size.</p>	<p>Built to Protect Itself</p> <p>Shatter resistant glass, anti-tamper locking, and battery backup keep the machine secure through any power loss.</p>
<p>Fits Through Any Door</p> <p>At 28.35" wide, Core fits through any standard doorway no disassembly, no installation crew, no special infrastructure. Just plug it in.</p>	<p>80% Fewer Moving Parts</p> <p>No coils, no motors, no spirals. This means less maintenance and service calls, with less downtime and more sales.</p>

Vendera

THE AI PLATFORM

INTELLIGENCE BUILT IN

INDUSTRY-LEADING AI

Every transaction across each Vendera machine feeds one continuously learning AI. Core doesn't just work at its location, it also gets smarter.

Our proprietary AI software is like no other, analyzing and managing every transaction with ease, minimizing the need for human intervention.

<p>CAPABILITY 01</p> <p>Knows What to Stock</p> <p>Analytics in the VMS app track top-selling products in real time, helping operators optimize inventory decisions and stock what customers actually buy.</p>	<p>CAPABILITY 02</p> <p>Knows When to Restock</p> <p>Alerts are based on real-time sales, not a fixed schedule. You go when it actually needs you, not before, not after stock runs out.</p>
<p>CAPABILITY 03</p> <p>Records Everything</p> <p>Every transaction is logged on video in real time, giving you inventory visibility and a complete sales history from any device, anywhere.</p>	<p>CAPABILITY 04</p> <p>Update Pricing in Seconds</p> <p>Modify prices across your entire fleet from your phone. One dashboard for sales, inventory and alerts from the Vendera VMS app.</p>

VENDERA VMS APP

- **Manage Smarter with our Proprietary VMS**
Control of your fleet that fits right in your pocket. Our proprietary VMS app enhances the efficiency and effectiveness of your operation. Check in on your machine, quickly prepare for re-stock, maximize product placement and availability based on real time analytics, and check on the connectivity status of each machine. Easy access saves you time and money.

\$5,928

Real monthly revenue from a live Core deployment 1,864 transactions. 2,723 items sold. One machine. Six months from zero. Managed entirely from the VMS app on a phone.

1,864

Transactions accurately recorded from a single active Core unit.

VISIBILITY

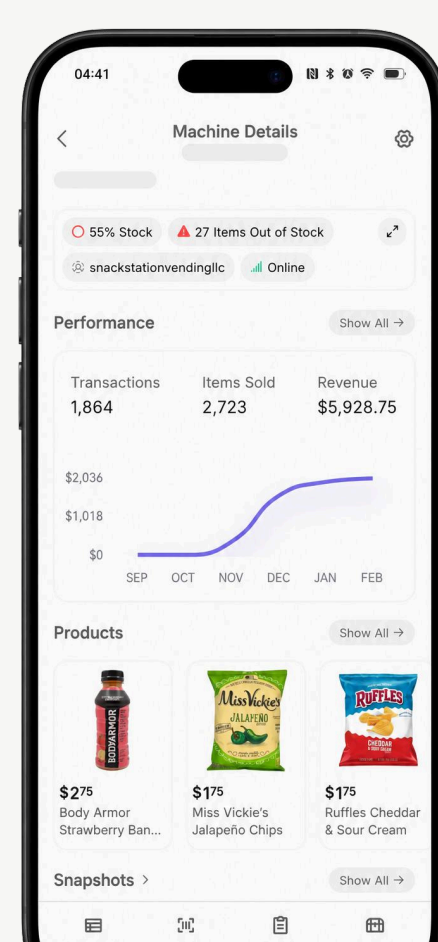

Stock level visible in real time. Operator is alerted before stock runs out.

2,723

Items sold and tracked automatically by AI without human intervention.

ONLINE

Easily access real-time data including connectivity status, transactions and stock levels.

Vendera

ABOUT VENDERA

WHO WE ARE

RETAIL REINVENTED

Vendera builds AI-powered smart coolers that run themselves, minimizing staffing and operating costs, and maximizing revenue. Our machines learn, adapt, and improve over time.

Our fully-integrated VMS system allows you to add a mix of our high-performing coolers. Whether you're deploying Core, Apex, Atlas, or Arctic, manage your entire fleet in one place, using the same platform and dashboard.

<p>AI-FIRST</p> <p>99.5% accuracy. AI identifies every item, every transaction, regardless of lighting, motion, or product type. It just works.</p>	<p>ZERO FRICTION</p> <p>Tap. Grab. Go. The simplest retail, proven to drive 2-3x more spend per visit than a traditional machine.</p>	<p>RESEARCH BACKED</p> <p>Proven intelligence. Vendera technology is validated by experts from elite universities. Our innovation is built on science, not hype.</p>
